I come here every Wednesday to read..to study, this. (*patting the Bible*) I've learned so much.

There's so much in it. History right here in Gen-e-sis (*pronouncing each syllable*)

You want to know how to build a boat... see Noah.

And the Law... right here . The 10 commandments and songs, so many songs (*turning a few pages*) right here in n P-salms (*pronouncing the P*)

And then over here (*turning a few more pages*) forgiveness (*overwhelmingly snapping fingers and says in a matter of fact way*) ... It's all about a Redeemer ...His name is Jesus! The whole thing is about Him, you know?

I'm very excited about all this Gathering stuff, can't you tell?

Hey want to study with me?.
